MORE CONTROL MORE SPIN BIGGER SWEET SPOT

Modern players use more spin and hit the ball towards the top of the racket. But nailing those shots takes precise technique and more power, often leading to errors and injuries. The CX series was developed with a larger sweet spot, giving players more comfort and power, but with reduced vibration and a lower impact shock, helping to reduce injury. Perfectly engineered for the modern game.

DUNLOP

THE NO.1 BALL ON TOUR*

THERE IS A NEW PLAYER ON THE TOUR. DEVELOPED TO THE HIGHEST STANDARDS, USING THE LATEST TECHNOLOGY, THE DUNLOP BALL IS NOW THE OFFICIAL BALL OF THE ATP TOUR - THE CENTRE OF WORLD TENNIS.
